

My Dear Mrs. Manley:-

Enclosed find  
bills for Richmond and Norfolk

I am shipping 150 posters - for May 13-15  
18-25 to you. The reason is if I  
send 50 posters to Frank Forbes it will  
cost just as much because they have  
a minimum. So instead of making 2  
separate ~~shippings~~ shipments and costing  
twice as much, I am sending them  
to your office. Seeing that you are  
close to New York and you have until  
May 11<sup>th</sup> to put them out, I reasoned  
that you could drive over yourself  
and give them to Frank. Am I right.

Am shipping 100 posters to Larimore  
immediately with Passes -

Look for your passes in or  
on top of cards sent to your office. You  
did not state how much surcharge  
I was to put on passes for Trenton & your

cards so I kept the price off. But I  
took care of Norfolk and Richmond (25 cents on  
each) -

Took out James Hill's picture as  
you wished. Hereafter I'll keep all  
players cuts off until I hear from you.  
How about sending me names of your  
players so I can line up all of your  
cuts.

Do hope you have a very good year  
as I think with all the world troubles  
today, people are going to try to relax  
from all these war nerves. Don't you  
think so? Your idea of inviting the  
soldiers is good and very patriotic of  
Abe and yourself.

Well Mrs. Manley, here's  
wishing you and Abe the best of luck this  
coming season and have a banner opening

I remain

Sincerely  
Mike Lannarella

P.S. - Mrs. Manley -

Please keep my home phone  
number on your files. You can  
get me there any morning from  
8 A.M. to at least 1 P.M.

Always try me at home first if you  
have anything important. If I'm  
not there my wife can take the  
message as I'm breaking her into  
being baseball minded. My phone  
is Delaware 8522.
